PROFESSIONAL PROFILE

I am a **Frontend Developer** and I am looking for a job opportunity as a **Trainee or Junior Developer**.

At the end of 2021 I decided to challenge myself to try to become a **Web Developer**. I took the **Fullstack Developer** degree at *Coderhouse* (today I am in the final stage corresponding to the **Backend**) and I was fascinated with **Javascript** and the immense number of implementation options it offers us.
